

Stannah Lift Services Health, Safety and Environment Policy Statement

Stannah Lift Services Limited is a company comprising three divisions: Stairlifts UK S&I division under the control of the Managing Director of Home Accessibility UK S&I, and the Maintenance and Repair division and Major Projects division under the control of the Managing Director of Stannah Lifts.

Stannah Lift Services Limited fully supports the commitment of the Stannah Group Health, Safety and Environmental policies in achieving the highest possible standards of Health and Safety protection, and Environmental Management.

In addition, Stannah Lift Services Limited will comply fully with all relevant Health, Safety and Environmental compliance obligations, and apply responsible standards to its activities where compliance obligations do not exist.

Stannah Lift Services Limited is fully committed to preventing injury, ill health and to the protection of the environment including the prevention of pollution, particularly emissions from vehicle engines, and will encourage worker participation and consultation where possible.

Stannah Lift Services are also committed to continual improvement of our Health Safety and Environmental management system to enhance our performance in these areas and will help preserve our human and physical assets, reduce our costs and liabilities, promote our image as a responsible organization.

Stannah will provide clear instructions, information and adequate training, to ensure that all personnel are competent to do work.

Managers across Stannah Lift Services Limited will therefore continue to develop a culture, which supports and actively promotes safe and healthy working conditions alongside protection of the environment.

It is the policy of Stannah Lift Services Limited to be proactive by ensuring that risks are identified and effectively controlled, and that key environmental aspects and impacts are identified and managed. This will enable elimination or reduction of risks to employees and others affected by our work and the control of environmental impacts affecting the wider public.

Stannah Lift Services Limited is committed to providing a framework for setting and reviewing Health, Safety and Environmental objectives, giving them equal importance with other company objectives and will plan and resource these accordingly.

All Directors, Managers, and employees have responsibilities and duties under this policy and, to ensure these are achieved, regular evaluation of Health, Safety and Environmental performance will be carried out.

This policy will be reviewed regularly, to ensure it remains relevant and appropriate, displayed at company premises and where appropriate, issued to employees and others, and made available to other interested parties.
