# Complaint information

## How we deal with your complaint

We will ensure to listen carefully to your concern or complaint. And aim to resolve your concerns in the first instance.

If you email or ring us, we will acknowledge receipt of your complaint within 1 working day of receiving it.

If you write to us, we will acknowledge receipt within 5 working days (if no email or telephone number is provided).

We will then conduct a thorough investigation into your complaint. We may need to contact you to obtain further details during our investigation.

In some instances, investigations may take a bit longer.

If we are unable to provide a full response within 8 weeks, we will promptly inform you, share an updated timeframe, and we will keep you updated regularly on the progress of your complaint.

## What if I'm still dissatisfied?

We are dedicated to finding you a fair solution that works for you, but if you are not happy with our decision or resolution you have the right to refer your complaint to our 3rd Party resolution providers, which can be found in your Terms & Conditions.
